Romans 15:1-7
Welcome One Another

1. What part of the text/message had the greatest impact on you? Where were you most encouraged? Intrigued? Challenged?
2. How does this passage challenge a consumer mindset, that Church “is about me and meeting my needs,” represented in many modern churches? What are signs that someone is approaching church with a "one-another mindset" instead?
3. How is “pleasing our neighbor” (in vs. 2) different from people-pleasing? What should the goal of pleasing our neighbor be, according to Romans 15:1-7?
4. How does Christ's willingness to not please Himself deepen your understanding of the gospel?
5. According to verses 5–6, what kind of unity does God desire among believers? What does it look like in the church to experience a harmony as we “with one voice glorify God”?
6. When have you experienced being welcomed (or not welcomed) by someone in the church? How did that affect you?
7. How can you practice a more “Christ-shaped” motivation in your relationships to build up and welcome others?
